

## Gifts - CreArte worry dolls

### Fair Trade Handmade Worry Dolls

Handmade by **CreArte** in **Guatemala**.

Guatemalan people say that if you cannot sleep due to worrying, you can place a worry doll under your pillow. In the morning you will wake up without your worries, which have been taken away by the dolls during the night!

CreArte supports 400 producers who are organised in cooperatives, social associations and family workshops, mostly in rural areas.
