

## Stationery - Get Paper

**SHARED EARTH**  
A Fair Trading Company

Fair Trade Handmade Stationery

re-made recycled...re-made recycled

Handmade by **GET Paper** in **Nepal**.

The basic raw materials for the handmade paper are waste paper, waste cotton fabrics from the garment industries and agricultural waste like banana fibre, straw and water hyacinth. Most of GET Paper's workers are from local villages. GET Paper allocates 40% of its profit to its sister organisation, which supports five schools, and is active in AIDS and environmental awareness.
