

Flying discs

The MayaFlya is the world's best cotton frisbee. Go to the beach or to the park, set up in your home... this is serious fun. Put down your mobiles, turn off the tv and do something truly loco! Make this a year when you ditch the screen, connect with your friends and truly find joy. At festivals they truly are a must. The Indoor range is perfect for kids, 'easy on heads, easy on the house'.

The MayaFlya is perfect - organic fun for all ages – and saves the planet too! They're hand-knitted in Guatemala; every purchase supports the women who make them, with over 600 families benefitting. And climate change? Even the shipping which brings them into the UK is carbon neutral.
